Reference Job Title: Junior Knowledge Management Consultant with the HIV, Health and Development Team

SUMMARY

Looking for opportunities in it consultant where I can contribute to real projects and learn fast.

I like turning requirements into clear steps, collaborating with others, and documenting decisions.

The United Nations Development Programme (UNDP) is the UN's global development network, advocating for change and connecting countries to knowledge, experience and resources to hel.

I are on the ground in more than 170 countries and territories, working with governments and people on their own solutions to global and national development challenges.

As they develop local capacity, they draw on the people of UNDP and our wide range of partners that can bring about results.
